

# UI Mockups

Use Case	UI Mockups
1.1	 The mockup shows a mobile app interface with a green header. The header contains the text 'Save Me' in white, a red heart icon with a white pulse line, and a white plus sign in a red circle. Below the header, there is a white rounded rectangle containing a 'Register' button and an orange 'Sign in' button.
1.2	 The mockup shows a mobile app interface with a green header. The header contains the text 'Save Me' in white, a red heart icon with a white pulse line, and a white plus sign in a red circle. Below the header, the word 'Register' is displayed in black. There are three input fields: 'Phone number*', 'Password*', and 'Confirm Password*'. Below these fields is an orange 'Next' button. At the bottom, there is a link that says 'Already have an account? Sign in'.

1.3

1.4

The image displays four mobile app mockups for the 'Save Me' app, showing the registration process. The app has a green header with a heart icon and the text 'Save Me'. The 'Register' screen includes fields for Name, NRIC, Home Address, Work Address, Age, Emergency Contact Name, and Emergency Contact Number. It also features a 'Sign up with SingPass' button and a 'Medical Conditions' search bar. The bottom of the screen has 'Back' and 'Next' or 'Register' buttons.

**Mockup 1 (Top Left):** Shows the 'Register' screen with the 'Add Photo' button and the 'Name\*' field.

**Mockup 2 (Top Middle):** Shows the 'Register' screen with the 'NRIC\*' field.

**Mockup 3 (Top Right):** Shows the 'Register' screen with the 'Home Address\*' field.

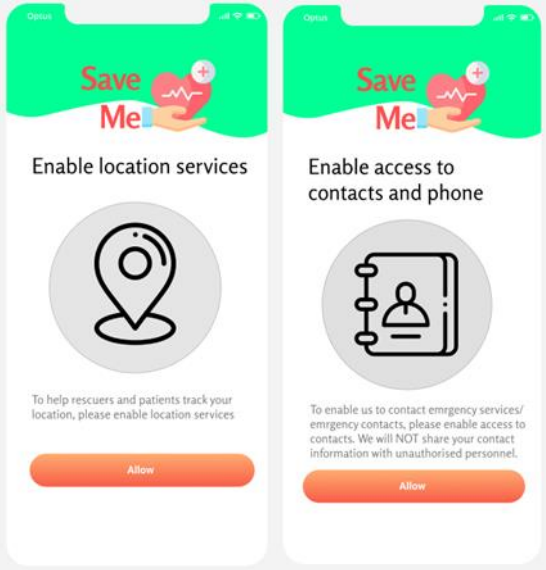

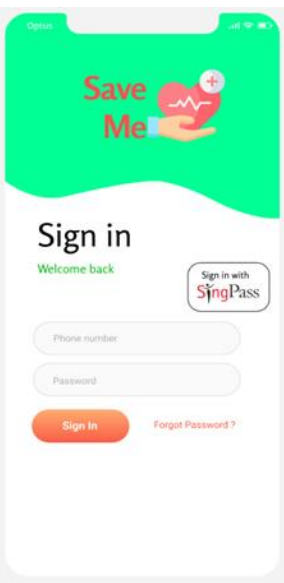

**Mockup 4 (Bottom Left):** Shows the 'Register' screen with the 'Work Address\*' field.

**Mockup 5 (Bottom Middle):** Shows the 'Register' screen with the 'Age' field.

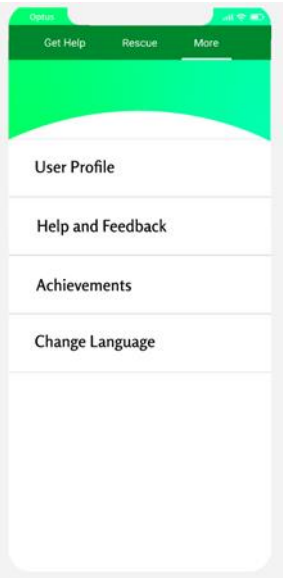

**Mockup 6 (Bottom Right):** Shows the 'Register' screen with the 'Emergency Contact Name' field.

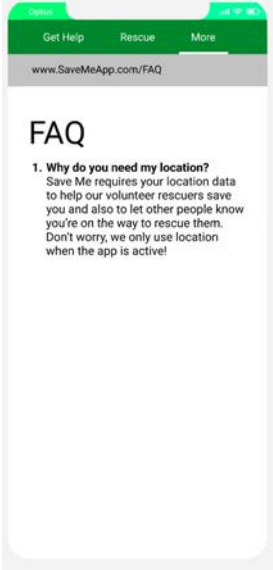

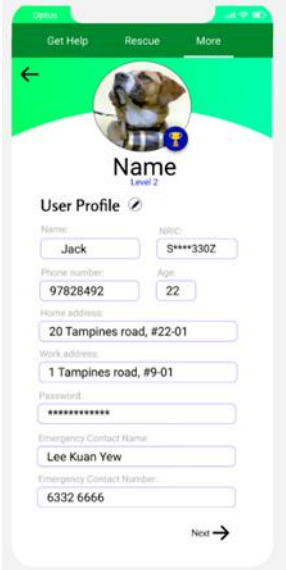

**Mockup 7 (Bottom Far Right):** Shows the 'Register' screen with the 'Emergency Contact Number' field.

**Mockup 8 (Bottom Far Left):** Shows the 'Register' screen with the 'Medical Conditions' search bar and the 'Weak Heart' button.

<p>1.AC.1</p>	

2.1	 <p>The screen displays a red header with the 'Optus' logo and navigation links 'Get Help', 'Rescue', and 'More'. The main content area is orange and contains the text 'Press to send SOS signal!' above a large, 3D-style red button with the text 'SAVE ME!'.</p>
2.2	 <p>The screen displays the same red header as in 2.1. The main content area is orange and contains the text 'Hold button to cancel' followed by 'An ambulance will be called. Signal will be sent to nearby rescuers in 10...' above a large, 3D-style red button with the text 'SAVE ME!'.</p>

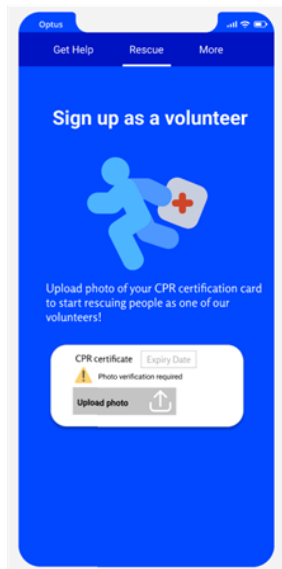

2.5	 A mobile app mockup for an emergency broadcast. The screen has an orange background. At the top, there's a status bar with 'Optus' and signal icons. Below it is a navigation bar with 'Get Help', 'Rescue', and 'More'. The main text reads: 'Signal is being broadcast. Don't worry, help is on the way'. Below this is a large red button with 'SAVE ME!' in white. Under the button, it says 'Hold button to cancel'. At the bottom, there's a section titled 'Additional Information for rescuers:' followed by a text input field with the placeholder 'Specific location, floor no, additional info...'. <p>Signal is being broadcast. Don't worry, help is on the way</p> <p><b>SAVE ME!</b></p> <p>Hold button to cancel</p> <p>Additional Information for rescuers:</p> <p>Specific location, floor no, additional info...</p>
3.1	 A mobile app mockup showing a user profile menu. The screen has a green header with 'Optus' and signal icons. Below the header is a navigation bar with 'Get Help', 'Rescue', and 'More'. The main content area has a green curved background at the top. Below this, there's a list of menu items: 'User Profile', 'Help and Feedback', 'Achievements', and 'Change Language'. At the bottom, there's a large empty white space. <p>User Profile</p> <p>Help and Feedback</p> <p>Achievements</p> <p>Change Language</p>

3.2	 <p>Default Get Help Rescue More</p> <p>www.SaveMeApp.com/FAQ</p> <h2>FAQ</h2> <p><b>1. Why do you need my location?</b> Save Me requires your location data to help our volunteer rescuers save you and also to let other people know you're on the way to rescue them. Don't worry, we only use location when the app is active!</p>
3.3	 <p>Default Get Help Rescue More</p> <p>←</p> <p> Name Level 2</p> <h3>User Profile</h3> <p>Name: Jack S/NIC: S****3302</p> <p>Phone number: 97828492 Age: 22</p> <p>Home address: 20 Tampines road, #22-01</p> <p>Work address: 1 Tampines road, #9-01</p> <p>Password: *****</p> <p>Emergency Contact Name: Lee Kuan Yew</p> <p>Emergency Contact Number: 6332 6666</p> <p>Next →</p>
